

# CMCA Energy Assistance Program

## How to Apply:

### Energy Assistance to help with home heating:

1. Get Application from: [www.showmeaction.org](http://www.showmeaction.org), your local utility company, Family Support Offices
2. Fill out application completely
3. **Make sure to include:**
  - a. **Copies of social security cards for all household members**
  - b. **Proof of income for the previous month of employment for ALL household members 18 and older (unless receiving Food Stamps)**
  - c. **Copy of utility bills**
  - d. **Working telephone number in case we need to call you**

4. Mail application and the above to: **CMCA Energy Services  
800 N Providence Rd, Suite 103  
Columbia MO 65203**

**Walk-in applications will not be accepted. All applications must be sent in by US Mail.**

We have 30 days to process your Energy Assistance application from the time we receive your application in the mail. Applications that have a disconnect notice will be processed first. Please call your utility company if you want to check to see if an energy pledge has been made on your account.

### Energy Crisis to help with a disconnect bill or to restore service:

1. Get Application from: [www.showmeaction.org](http://www.showmeaction.org), your local utility company, Family Support Offices
2. Fill out application completely
3. **Make sure to include:**
  - a. **Copies of social security cards for all household members**
  - b. **Proof of income for the previous month of employment for ALL household members 18 and older (unless receiving Food Stamps)**
  - c. **Copy of utility bill disconnect or final bill**
  - d. **Working telephone number in case we need to call you**

4. Mail application and the above to: **CMCA Energy Services  
800 N Providence Rd, Suite 103  
Columbia MO 65203**

We process crisis energy on a priority basis. We cannot pay reconnect, deposits or non-electric fees. Please talk to your vendor and be sure all non-heating costs have been paid before seeking CMCA help.

To talk with a Crisis Energy Counselor please call >> **1-800-573-ENERGY (1-800-573-3637)**
