Callaway County United Way Adds Two New Board Members

Tammy Wickham and Mike Hill Join the Board of Directors

FULTON — February 2, 2012 — Two new members have been added to the Callaway County United Way Board of Directors. They are Tammy Wickham of Naught-Naught Agency and Mike Hill of The Callaway Bank.

Tammy Wickham has been with Naught-Naught Insurance Agency since 1994 and is a Property & Casualty and Life Insurance agent as well as Office Manager in Fulton. She is married to David Wickham and they have 6 children and 7 grandchildren.

“Being successful means achieving a perfect balance of faith, family and finances,” said Wickham. “I understand struggle. At 19, I was divorced with 2 children, working and attending night school. I know first-hand about needing assistance to survive. Sometimes you do all the right things, and it’s still not enough. Sometimes we all need help. I’m very proud to have been asked to join a group responsible for helping 20,000 Callaway County citizens achieve a balanced life.”

Mike Hill has been employed at The Callaway Bank since 2009 as Executive Vice President and CFO. He and his wife, Lorna, live in Fulton with their children: James, Ragan and Luci.

“Since moving to Fulton nearly 3 years ago,” said Hill, “I’ve been looking for ways to give back to the community. Given the long-standing relationship between The Callaway Bank and the United Way, it seems like a natural fit.”

#####

The mission of the Callaway County United Way is to improve, consistently and measurably, the quality of life for all the people of Callaway County by raising and distributing funds, mobilizing community resources, and encouraging innovative solutions to the community's health and human service needs, while being aware of our environmental responsibilities.
